

Join us for Event IQ.CA 2026,

a focused knowledge-sharing and networking event for the North American Momentus Enterprise user community-presented by Tuppence Consulting.

What you can expect:

- Deep dives into Momentus Enterprise implementation, training & solution engineering from an expert with 25+ years' experience.
- Hands-on workshops and practical strategies to boost efficiency and results.
- Networking opportunities with peers from across the Canadian & North American user community.
- All meals included with registration.
- Air Canada promo code for discounted flights.
- Special room rates at the **Marriott Calgary Downtown**, our host hotel.

DATE

March 16-18, 2026
